We invite you to participate in our annual **Earth 1st Expo** celebrating **Earth Day 2009** BancFirst, KICM, OGE Energy Corp., and Ardmore Beautification Council sponsor the event. Last year over 4,000 people attended the **Expo**. The event will be heavily promoted in all local media.

You can participate by:

- 1) Providing an Earth-friendly display of products and materials.
- 2) Providing Earth-friendly products and materials for sale. **Exhibitors selling items are responsible for collecting and paying their own sales tax. Fill in Tax ID # information if applicable** (on inside of this form).
- 3) Organizing and manning a hands-on craft booth for children where they make crafts related to Earth Day. Craft booths must provide their own supplies. Accepted craft booth organizers will be reimbursed up to \$50.00 for materials (receipts required) – contact ABC – 223-2230.
- 4) Providing entertainment, either youth or adult, since frequent performances are an important part of the event. Develop a 20-minute program guaranteed to entertain. Songs, music or dance, etc. do not have to be related to Earth Day. The emcee will provide the sound equipment.
- 5) Accepting recyclables at the Expo i.e. newspapers, aluminum, clothing, etc. **Check inside this flyer for more details.**

All exhibitors MUST fill out contract/exhibitor information. There are **NO** exhibit fee charges. The Earth 1st Expo will be:

**Saturday - April 18
10:00 a.m. – 2:00 p.m.
BancFirst Plaza
310 W. Main – Ardmore, OK**

EXHIBIT SPECS

*Exhibit area is approximately 10' by 12', with 1-8' skirted table, and 2 chairs per vendor (additional tables and/or chairs vendor responsibility). **So we could continue NOT charging exhibit fees, we have had to limit the number of tables & chairs per vendor.** Additional exhibit space available on a first request basis, depending upon availability. One 8½" X 11" exhibitor sign will be provided. Exhibitors will provide their own heavy-duty electrical extension cord if needed and they will provide their own sun covers if desired.

HOW

Reserve your space by filling out the contract/exhibitor information and returning it to ABC. A limited number of exhibit spaces are available on a first-come basis. Please return contract/exhibitor form to the ABC by **April 1.** ➡
